## Certificate Statement

UK NARIC is the official national agency under contract to the UK Government Department for Business, Innovation and Skills. It is a member of the European network of NARICs throughout the European Union. It is also the UK representative in a wider operation of European Network of Information Centres (ENIC) across Europe, Australia, Canada, New Zealand and the USA.

UK NARIC is able to confirm that holders of British degrees who studied at institutions forming part of the Hellenic Colleges Association should be accorded the same professional and academic rights and privileges as any holders of any UK degree.

Please note that British educational and professional institutions and employers are autonomous and as such reserve the right to make their own decisions on the acceptability and recognition of any overseas qualifications.

UK NARIC, so far as the law allows, does not accept any liability for any loss or damage whatsoever, direct, indirect or consequential, or contributed to, by your relying on the said guidance provided by it. This agreement is bound by English law and the exclusive jurisdiction of the English Courts.
