## Employability Skills Reflection

Ms Aggeliki Papakonstantinou

HEAD of the Business Administration & Economics Department

Dr Fenia Mavrodi

Academic Director of the Business Administration & Economics Department  
Undergraduate Studies

Only three months left till your graduation! This is the time to take a short break and look back. Look at the things that you have achieved. Try to understand the extent you have changed. Make plans for your future while evaluating not only the knowledge you have gained but also your skills. Using the Employability Profile Attributes, this seminar aims to support you to self-reflect on the skills you have developed. This seminar aims to make you aware of what employers are looking for.

- Participation is compulsory for Stage 3 BAED students
